Could I have one of those business cards as well?
Excuse me,
Well, the bill if you could.

It seems like he's drawing a manga about 'it' on his way to work.
No, just a salary-man.
So, that man-aka...
It looks like he always updates his twitter about it too.
Then it's just as the elephant reported, this is trouble-some.
It's likely an examination of the man himself is required.
